TO: ALL DEALERS ENGAGED IN BUSINESS WITHIN IBERIA PARISH

SUBJECT: SALES & USE TAX RATE INCREASE BY THE TOWN OF DELCAMBRE, EFFECTIVE JANUARY 1, 2024

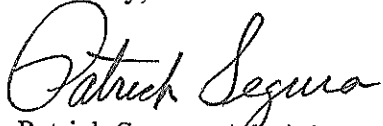

As a result of voter approval, the residents of the Town of Delcambre have passed a sales & use tax increase of 1.00% upon the sale at retail, the use, the lease or rental, the consumption and the storage for use or consumption of tangible personal property and the sales of services in said Town of Delcambre all as presently defined in R.S. 47:301 thru 47:317 and R.S. 47:337.1 thru 47:337.102 inclusive.

This additional 1.00% tax will become effective on **January 1, 2024**. It will be applicable **only** on transactions occurring within the incorporated municipality of the Town of Delcambre. Sales tax transactions occurring within the Town of Delcambre need to be reported in **Column C** on the **Iberia Parish** Sales Tax Return. (All of the other columns on the Iberia Parish Sales Tax Return will remain the same).
