For a breakdown of tax rates, please visit https://lataonline.org/for-taxpayers/city-to-parish-index/st-tammany/ .	
<p>This return is specifically for businesses located in special tax enhancement areas that have both IN-STORE and DELIVERED sales.</p> <p>BOTH FORMS INCLUDING SCHEDULE A MUST BE COMPLETED AND SUBMITTED</p>	
Line 1	Gross Sales: Enter the total of tangible personal property sold inside and outside of St. Tammany Parish, gross proceeds from rental or leases of moveable property, and taxable services as listed in LA RS 47:301 (14). DO NOT include tax collected.
Line 2	Sales for Resale: The taxpayer must retain a copy of the re-seller's LDR Form R-1064 Louisiana Resale Certificate with the parish tax account number listed. If the re-seller is domiciled in St. Tammany Parish, the taxpayer must retain a copy of the re-seller's parish sales tax registration certificate, current parish/city occupational license, and parish exemption certificate (if applicable) and shall include only merchandise sold in the regular course of the purchaser's business.
Line 8 - 10	List other deductions as allowed by law for which a space is not specifically provided for elsewhere on this return. Include a description and reference the law or regulation in support of the deduction taken.
<p><u>SCHEDULE A – ITEMIZATION OF TAXABLE SALES & PURCHASES SUBJECT TO USE TAX</u></p> <p>Pursuant to Act No. 11 of the 2024 Third Extraordinary Session of the Louisiana Legislature, all parishes are required to capture the sales amounts for prescription drugs and manufacturing machinery and equipment on their return per new language in LA R.S. 47:305 (G).</p> <p>Effective January 1, 2025, the single or central sales tax collector for each parish shall modify returns for reporting and remitting local sales and use tax to include the following:</p> <p>(a) A separate line item for the sales of prescriptions drugs.</p> <p>(b) A separate line item for the sales of manufacturing machinery and equipment</p>	
Schedule A - Line 5	Enter total amount of purchases of Prescription Drugs & Qualified Medical Devices used in the business where sales tax was not paid. If the vendor did not charge the full tax rate, the taxpayer will need to subtract the tax rate paid from the full tax rate to determine the incremental tax due. To calculate purchases subject to use tax, take the incremental tax due and divided by the full local sales tax rate.
Schedule A - Line 6	Enter total amount of purchases of Manufacturing Machinery & Equipment used in the business where sales tax was not paid. If the vendor did not charge the full tax rate, the taxpayer will need to subtract the tax rate paid from the full tax rate to determine the incremental tax due. To calculate purchases subject to use tax, take the incremental tax due and divided by the full local sales tax rate.
Schedule A - Line 7	Enter total amount of all other purchases used in the business where sales tax was not paid. If the vendor did not charge the full tax rate, the taxpayer will need to subtract the full tax rate to determine the incremental tax due. To calculate purchases subject to use tax, take the incremental tax due and divided by the full local sales tax rate.
Line 15	Total tax due. If no tax is due, you must file a zero return for the period.
Line 16b	Hotel/Motel/Campground Tax: All establishments that furnish 2 or more sleeping rooms to transient guests must collect and remit the tax. If this applies to your business, list your gross room rentals as indicated on the line then multiply 3% of that amount.
Line 16c	Cigarette Paper Tax: Every retailer selling cigarette papers is required to remit sales tax of \$1.25 per pack.
Line 16d	Hotel Occupancy Tax: All establishments that furnish 2 or more sleeping rooms to transient guests in Wards 8 and 9 of St. Tammany Parish shall collect, or otherwise be liable for an Occupancy Tax of \$2.00 per occupant day per room. The term "Occupant Day" shall mean each unit of time, not to exceed 24 hours, upon which an occupant is charged by the establishment for renting a single room, suite or dwelling unit.
Line 17	Excess tax collected: Any tax collected over the tax due.
Line 21	Penalty: Multiply the tax due by 5% for each 30 days or fraction thereof of delinquency up to 25%. The penalty cutoff dates are the 21st of each month. For example, if we receive March's return on April 21st, the penalty owed is 5%; May 21st, the penalty is 10%; June 21st, 15%, etc., up to a maximum of 25%.
Line 22	Interest: The interest rate is 12% per year for any tax that becomes due on or after January 1, 2023 and 15% per year for any taxes that become due on or before December 31, 2022. Interest accrues on a daily basis using a 360-day year commencing the day that the return is 30 days past due. The due date is the first day of the month following the month for which the tax was collected. Using the example of a return for the month of March, on May 1st, interest for 31 days is owed; each successive day is another day's interest until paid. Calculate the interest by multiplying the tax times 12%, then dividing the results by 360, and then multiplying that result times the number of days late. For example, the amount of tax you owe for March is \$1,149.27. It was "due" April 1st. It became delinquent on April 21st. You pay the tax due on May 11th. You must pay interest for 41 days which equals \$15.71 (Tax x 12% divided by 360 x 41).
